PUBLIC SERVICE COMMISSION
OF SOUTH CAROLINA

Petition of the Office of Regulatory Staff for a)	
Proceeding to Timely Review FCC Mandated)	Docket No. 2012-136-C
Reductions to Intrastate Access Tariffs)	
_____)	

**AT&T SOUTH CAROLINA’S MOTION TO REQUIRE FILING OF
STANDARDIZED SPREADSHEETS SUPPORTING TARIFF FILINGS**

The Commission’s Directive dated April 11, 2012, requires all local exchange carriers affected by the FCC’s Universal Service and Intercarrier Compensation Reform Order (FCC 11-161) to file appropriate tariff revisions by June 1, 2012, along with Supporting Documentation demonstrating compliance with the applicable FCC regulations. A week after this Directive was entered, the FCC issued an Order adopting standardized spreadsheets for carriers to use, among other things, in calculating their intrastate access reductions.¹ The FCC explained that these standardized spreadsheets “display basic data on rate development in a consistent manner, thereby facilitating review of the ILEC rate revisions by the [FCC] and interested parties.” See FCC’s April 19, 2012 Order at ¶1.

Attachments A and B to this Motion are copies of the FCC’s standardized spreadsheets that are applicable to calculating the intrastate access reductions that are appropriate for filing with this Commission. Certain columns not relevant to the access reduction calculations have been blacked out to avoid any unnecessary confusion. The information set out in Attachments A and B is consistent with the Supporting Documentation set forth in Exhibit A to the Commission’s April 11, 2012 Directive.

¹ Order, *In the Matter of Material to be Fined in Support of 2012 Annual Access Tariff Filings*, WCB/Pricing File No. 12-08, DA 12-575 (Rel. April 19, 2012).

Accordingly, AT&T South Carolina respectfully requests that the Commission require all affected local exchange carriers to file completed copies of Attachments A and B in support of the tariff revisions required by the April 11, 2012 Directive and to serve copies of these Attachments on all parties of record. In order to protect any proprietary information that may be served on other parties, AT&T South Carolina filed a Motion for a Protective Order in this docket at the same time that it filed this Motion.

Respectfully submitted on this the 9th day of May, 2012.
